NEWSLETTER 15th June 2018

Dear Parents

Full Day Concerts

The full day children have been rehearsing enthusiastically for the concerts they are performing next week. The dress rehearsals this week, have gone very well and given the children the opportunity to perform to the younger classes. The classrooms are looking splendid with a celebration of the children's work, creating a super backdrop for the concerts. If you have not already requested your seats, please be sure to sign up on the sheets provided outside the classrooms.

Visitors this week

I was delighted to welcome Emma Crawford Nash to Broadhurst School on Monday this week. Ms Crawford Nash, Head at St Christopher's, was impressed and very interested to see the School and to meet some of the girls that are joining them both this September and next. I look forward to working closely with all at St Christopher's over the coming year as we make our way through the assessment process once again.

Parent Reps Meeting and 60th Birthday Party Preparations

Preparations are gathering pace for our birthday party on 30th June. We met this week to finalise some of the details for the upcoming event and I would like to thank, in advance, all the parents that are kindly giving their time and energy to help make the party a success. If you have not already replied to the invitations sent last week, we would appreciate a response a.s.a.p to help with the arrangements.

School Sports Day and Picnic

Preparations are under way for the whole school sports day and picnic on 3rd July. We hope that you will be able to join us for this event, and further details of time and venue will be shared next week.

Class News

Class 5 have had a very busy week practising and preparing for the class concerts. We have enjoyed learning our songs and dancing. The children are looking forward to performing for their parents on Monday and Tuesday next week.

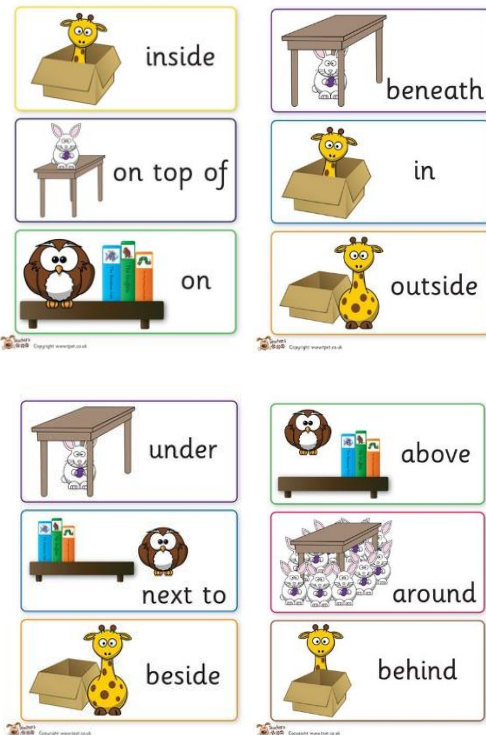

We have been continuing to learn about time by measuring time using the sand timers. We have counted the dots on two dice and have been learning about addition in this way. We are getting ready for our sports day on July 3rd as we have been practising running races in the garden.

Curriculum News from Miss Belzer

Positional Language

A knowledge of positions is essential as we communicate. Young children learn language rapidly. Knowledge of positional words such as, on, under, above, below, in, in front, behind, inside, outside, next to, beside, right and left, enhances their ability to follow and give directions and to use language precisely. Using words in connection with concrete objects and situations helps children develop vocabulary, a process that extends over time. Modelling situations with an emphasis on positional words also helps children learn the meanings of the words. At home, you may enjoy hiding toys and asking your child to say where they are e.g. The teddy is *on* the sofa, the car is *under* the table.

Notices

Nannies required

A Broadhurst family with two boys (5.5yrs and 3.5yrs old) is looking for an afterschool nanny from September 2018. The required hours are Monday – Friday, 3.00-6.00pm, as well as full days during school holidays (with some flexibility). Please contact Mrs Reiner on 07921 039865 for more details.

We also have a new Broadhurst family, with a child starting in September, who is looking to share a nanny from the end of July. They are looking for a French speaker. If you can help in any way, we would be grateful if you could contact the school office and we can pass on the contact details for the family.

Stop and Drop

Please see below the rota for 'stop and drop' next week. If you are unable to do the slot you have been assigned, we would appreciate it if you could endeavour to swap with another parent.
