NEWSLETTER 18th January 2019

Dear Parents

Thank you to the parents that joined us on Wednesday this week for a welcome drink. It was lovely for those parents who have not yet had an opportunity to meet Mrs Kendrick (our new Reception teacher) to do so and to take a look at the Reception classroom which has had somewhat of a makeover since the New Year.

It was also lovely to welcome some of our Class 1 parents. Thank you to our Class 1 parent reps for showing their support and help to make our new parents feel at home.

Assessments

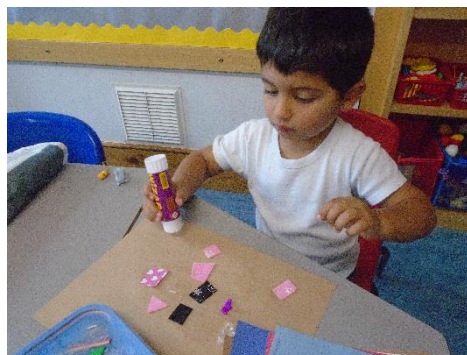

Many of our children are in the midst of visiting potential future schools and I hope very much that the experiences have been positive for them, thus far. I have heard some optimistic feedback which leads me to believe this is certainly the case. Please remember to keep the office informed of future assessment dates, and results, as we endeavour to continue to support everyone through the process.

Class 7 News

To support our learning of the letter sound 'v', Class 7 printed with vegetables this week. The children found it amusing to use vegetables to print with, instead of paint brushes. They enjoyed seeing all the different shapes the vegetables made.

We are continuing with our topic on 'People Who Help Us' and next week we will discuss the emergency services and learn the 'Green Cross Code.'

We would also be delighted if any of our parents would like to come in and talk to us about their profession.

I hope everyone has a lovely weekend.

With best wishes

Loe Sylvester
