### Class 7 News

This week Class 7 had great fun visiting West Hampstead Fire Station. The children were able to experience what it is like to sit in a fire engine and try on the fire helmets! They also used the fire hose and saw how far the water travelled when they switched it on.

Firefighter Ross explained how fires can start and how we can all keep safe at home.

It was a great trip and we learnt so much about what goes on at a fire station and how firefighters not only put out fires, but also rescue cats stuck in trees and help houses that are flooded.

For Mother's Day we have been busy decorating our flower basket cards. We also talked about how much we love our mummies.

Miss Clare

I wish everyone a lovely weekend and a very Happy Mother's Day to you all.

With best wishes
