

NEWSLETTER 4th April 2019

Dear Parents

The end of term is almost upon us and the children are finishing the week in the true spirit of Easter, with Easter bonnets, baking, visits from the Easter bunny and Easter egg hunts going on all around us.

This term has been very busy, particularly for the full day children with their assessments. They have worked very hard and I hope you are all very proud of their achievements.

It is always a pleasure for me to see the folders of work, before they come home to you each half term. It is very clear how much thought, effort and imagination comes into the teacher's planning of these activities. This is, of course, only a small percentage of what the children have done in class. I hope you will also have the chance to see the new displays of children's work that have been put up around the school this week.

Summer Term

The summer term starts on Thursday 25th April.

GOSH donations

My thanks go to Ali and Mrs Isaac for their help in delivering the books to Great Ormond Street earlier this week. As you can see, we had a great number of books collected and £181.70 cash donation to give. I would like to thank everyone who supported our charity endeavours this term.
