

# The Weekly News

BROADHURST SCHOOL NEWSLETTER | 17 JUNE 2022

## DEAR PARENTS,

### HOT WEATHER

You will have received a letter from us this week, about protecting the children in the hot weather. Please may we remind you of the importance of applying an all-day sunscreen before bringing your child to school and also bringing in a hat for your child while we enjoy the sunny weather. We are making the most of the garden, as you can imagine, and are ensuring the children remain hydrated but would also appreciate your support.

### END OF YEAR PARTIES

We will be giving the children a party to celebrate the end of the year. These parties will take place in school time, on the last day of term. We will be playing games, having some party food and generally having fun and giving the children a good send off, either for the summer holidays or as they leave Broadhurst School to start a new school in September.

### SPORTS DAY

As this is such a busy half term and I am aware, particularly for parents with children in other schools, that your diaries will be full with school events, I wanted to remind you about our Sports Day which is taking place on Wednesday 29 June from 10:30-2:00pm at Paddington Recreation Ground. We look forward to welcoming you this family event.

### UPCOMING CONCERTS

Our Full Day children are very excited to be getting ready to perform their concerts to you next week. This week, our Half Day children have enjoyed watching the dress rehearsals. We will be setting the stage this afternoon with some of the children's artwork and we look forward to welcoming you to the shows next week.

### MEETINGS WITH PARENTS

Next week will be the last week, for this term, I will be available to meet with half day parents, if anyone is still hoping to catch up regarding school applications. Please contact Arpuna, in the school office, if you wish to make an appointment. I will, of course, be available next term to catch up with you then.

*Mrs Sylvester*

### WEEK OF 20TH JUNE

**12:00 Noon** for Classes 6,7,8

**3:30pm** for Classes 1PM,4PM,5PM

## HAMPSTEAD HEATH TRIP

Our Full Day Nursery children had a fabulous time at Hampstead Heath this week. The children participated in pond dipping; everyone was very excited to find out which creatures had been caught in the net. We even found some new minibeasts that we hadn't heard of before!

We also went on a minibeast hunt in the woods and found lots of creatures hidden underneath logs and stones. When we put them underneath a magnifying glass, we were able to count their legs! Lastly, we were given some clay and the children made their own minibeast using sticks and leaves; it was a lot of fun. Thank you again to all of our volunteers.

# CLASS 4 NEWS

BY MISS YASMIN

Class 4 have had an exciting week learning about different people who help us. Our classroom beach role play has been a great success. We have been creating five little fireman using paint and our handprints as well nursing babies.

## IN PHONICS...

we learnt a new sound 'g' and had fun sorting through items deciding if they could go in our 'g' bag or not. We have also been practising our rhyming by finding the matching pairs. We had fun making up silly words too to rhyme with others in the pictures.

The children have been enjoying making sandcastles and selling ice-creams to their friends. The children have been talking about where they are going in the holidays and retelling precious memories of when they have visited the beach. We have also enjoyed learning some new songs about the months of the year, firefighters, doctors and nurses.

## IN MATHS...

we have been learning about weight. We have been exploring the concept using scales and addressing the misconception that a big item might not necessarily be the heaviest object out of a selective few.

We have also been giving babies and ducks baths in the garden to make sure that they are nice and clean, searching for minibeasts outside and looking at all the amazing spider webs that can be found.

I look forward to another week in the glorious sun filled full of fun, laughter and excitement as we continue to learn about different people who help.

Class 4 wish you a lovely weekend and look forward to more learning next week!
