SPORTS DAY 2022

Sports Day 2022 was eagerly anticipated and the event certainly was a great success. After some nerves and uncertainty due to the weather, and a last minute decision to postpone the start by an hour, the sun came out and the event went ahead as planned. It was wonderful to have the whole school community all together, children, parents, grandparents, other family members, nannies, future Broadhurst pupils and past, staff and of course Mr Berkery and his son Joseph. It really was a family event and my thanks go to everyone who helped make the day such a lot of fun.
