BROADHURST SCHOOL NEWSLETTER | JULY 4TH, 2025

## Message from the Headmistress

Dear Families,

As we near the end of the academic year, there is still so much to look forward to before we say goodbye to our wonderful Nursery children and families. It's always a bittersweet moment — such a joy to see how much they've grown and thrived, and we are incredibly proud of every one of them.

At the same time, we're already looking ahead to welcoming many new families into the Broadhurst community in September. Our transition mornings

yesterday and today were a great success, giving our new families the opportunity to meet their teachers, connect with one another, and spend some time in our lovely school. We've had such positive feedback — thank you to all who took part.

Our Pre-Nursery children are now looking forward to their own 'Move Up Morning' next Wednesday. We'll be sharing information about your child's new class teacher very shortly so you can begin preparing them for this next exciting step.

From September, all children will be eating together in our new dining room, a shared mealtime experience that encourages children to try new foods, develop independence, and build important social skills. V&Me will be at our Summer Fayre offering samples of their delicious menus. We would love to see even more of our families opting in.

Wishing you a wonderful weekend, and we look forward to seeing you on Monday — if not before!

**Ms Eilish Sleator**

**Headmistress**

## Little Learners

Our Little Learners have been busy exploring movement and drama, bringing stories to life through role-play. They enjoyed washing dolls in the garden and practiced their coordination and balancing skills on the balance blocks. In maths, the children have been exploring shapes and singing along to a variety of fun number songs, as well as lots of outdoor play, making the most of the sunshine whilst developing those essential gross motor skills. Learning through play at it's finest!

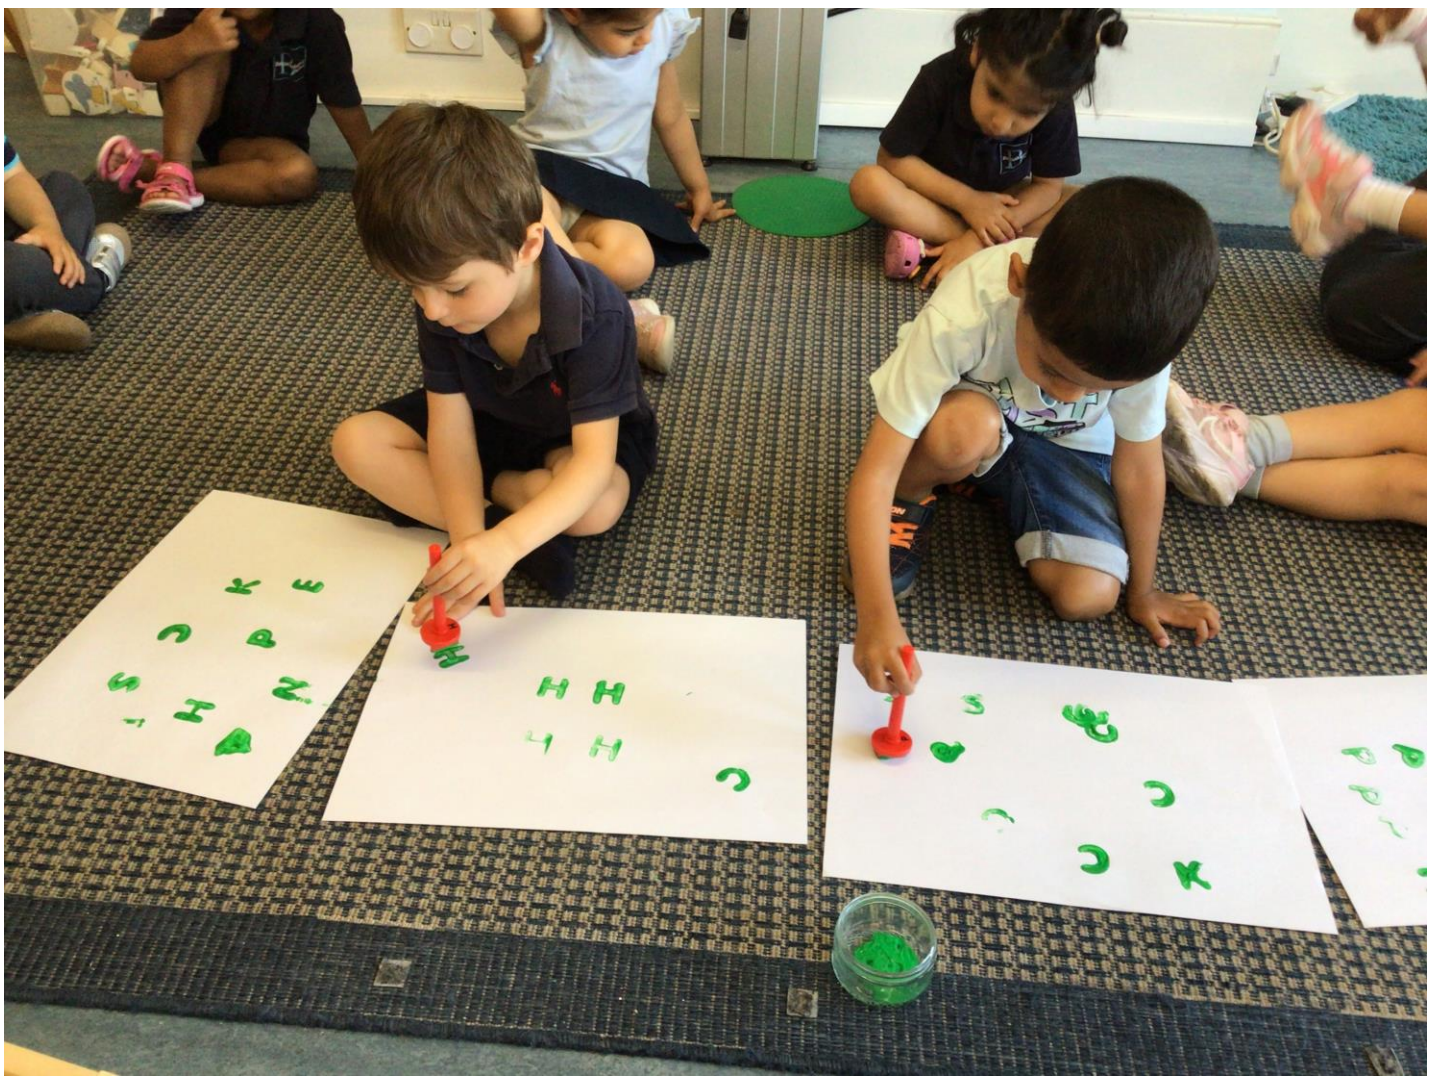

## Pre-Nursery

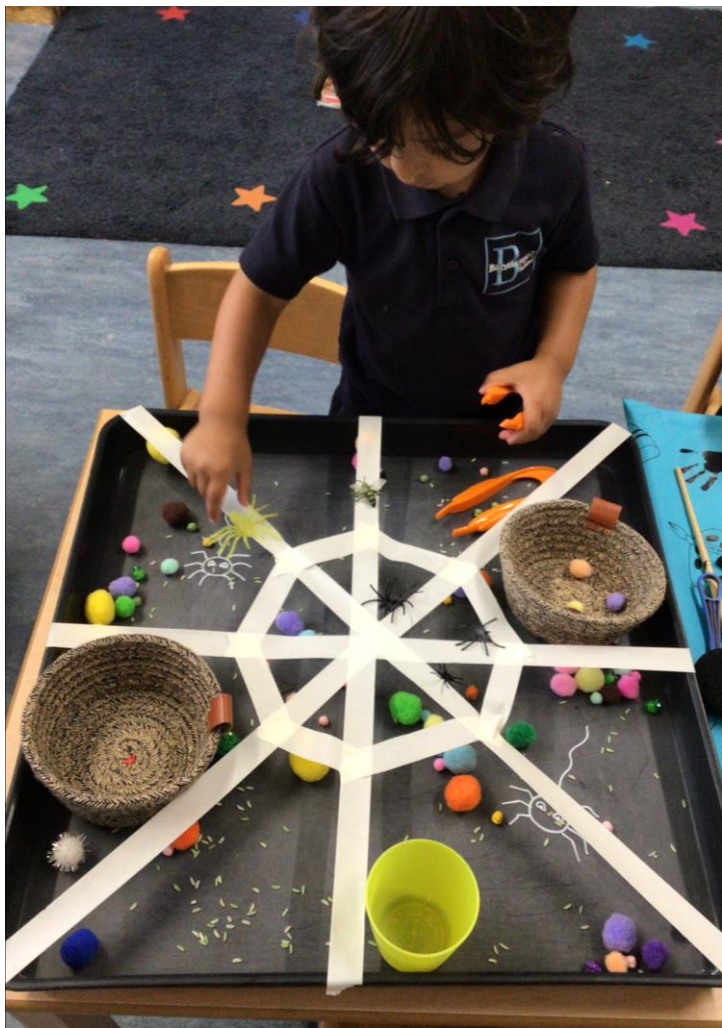

In Pre-Nursery, the children have been threading and weaving strings to make their own pretend spider webs. They crafted playdough insects and even observed real ones up close! Using mirrors, they created self-portraits and explored imaginative play by pretending to buy toys with play money. A favourite activity was singing songs like “Five Currant Buns in a Baker’s Shop.”

## Nursery

Nursery children have been reflecting on their time with us and looking ahead to the adventures of their new schools. They've enjoyed sharing their favourite memories and revisiting photos from their learning journeys. In literacy and phonics, they went on a tricky word hunt and ticked off words using a checklist. To end the week creatively, they painted expressive artworks inspired by music.
