A warm welcome from Mrs Paula Flindall

Mrs Paula Flindall

Headteacher

I feel incredibly privileged to be the Headteacher of Broadhurst School. My priority is to ensure that every child feels safe, secure, valued and cared for, providing the strong foundations they need to flourish.

At Broadhurst, we believe children learn best when they are happy, confident and curious. Through play, exploration and carefully planned experiences, we encourage children to become independent thinkers who are eager to ask questions, try new things and discover the world around them.

I am passionate about creating a warm, welcoming school community in which strong relationships between children, families and staff are at the heart of school life. I look forward to working closely with our families as we help every child make the very best start.

OUR APPROACH

Nurturing relationships • Curious minds • Confident learners • High expectations • Strong family partnerships

Our classrooms provide stimulating experiences that inspire curiosity, creativity and a love of learning.

A MESSAGE TO OUR FAMILIES

We are proud of the warm and welcoming community we have created at Broadhurst School and of the strong partnerships we build with our families. We hope this prospectus gives you a glimpse of what makes Broadhurst such a wonderful place to learn and grow.

ABOUT BROADHURST

A school built around children

Widely regarded as one of London's top nursery schools, Broadhurst School offers an exciting early learning experience through a bespoke accelerated curriculum. Our curriculum and classrooms are designed to give children a strong start, while keeping learning engaging, purposeful and age appropriate.

We are committed to continuous improvement and development in Early Years education, implementing a variety of educational approaches, including the renowned Montessori approach, into our teaching and learning environment.

A warm, welcoming and friendly whole-school community is the foundation of our ethos.

Small classes

Our small class sizes enable teachers and assistants to build strong, trusting relationships with each individual child and provide high-quality one-to-one support.

Early learning

We provide a strong foundation for learning and life, with high expectations and a focus on phonics, reading, communication, language and mathematics.

Learning through experience

Practical experiences encourage children to question, problem solve and embrace challenge, helping them become secure and confident learners.

OUR AIMS

01

Provide a happy, caring and secure environment in which every child is challenged to reach their full potential.

02

Provide stimulating and exciting experiences that inspire enquiring minds and independent discovery.

03

Spark children's curiosity and help children to become motivated and active learners.

OUR VALUES

Curriculum

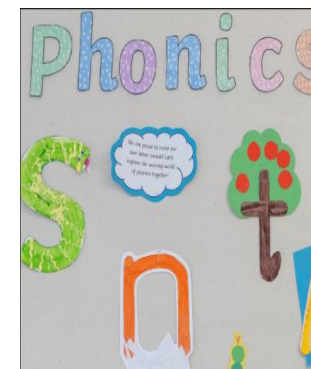

We are dedicated to giving children a strong foundation for learning and life, knowing that high-quality Early Years education offers the best opportunity to thrive at school and beyond. We believe that every child has the potential to succeed and can benefit from an early introduction to academic learning.

Our curriculum upholds high expectations and outcomes for children, with a focus on phonics, reading, communication and language, and mathematics.

Our small class sizes enable each class teacher and assistant teacher to build strong and trusting relationships with each individual child and spend quality one-to-one time supporting both their academic progress and personal wellbeing.

We encourage children to question, problem solve and embrace challenge. Practical experiences motivate active learning and critical thinking. Children are supported to try new things, becoming secure and confident learners.

We create a calm and purposeful atmosphere which also stimulates and motivates children's natural curiosity. We recognise the importance of good manners and respect for others and this is embedded into all aspects of school life.

Phonics, early reading, language, mathematics, creative development, practical learning and problem solving are woven through children's experiences across the school.

Specialist teaching & our garden

Music

All children enjoy a weekly music lesson which involves singing, percussion, rhythm and rhyme.

Drama

In their second year, weekly drama sessions enable children to explore their imagination and take part in increasingly complex story sequences.

Garden

Our large outdoor learning space is used as an extension of the classrooms. Children enjoy two garden times a day, with a wide range of activities, fresh air and physical activity. We also use the garden for Physical Education once a week.

Our garden is an important part of daily life at Broadhurst, providing space for active play, exploration and learning outdoors.

Beyond the classroom

The children enjoy regular opportunities beyond the classroom to support their learning, develop independence and enjoy the wider community.

Trips

The children enjoy regular trips out of school to support their learning, for example Hampstead Heath, the local fire station or a central London museum or gallery.

After School Clubs

Broadhurst School offers a variety of after school clubs, from coding and science to Spanish and ballet.

Wraparound Care

We are here to support all parents, no matter what your commitments are. Our wraparound care offers a dynamic programme where children can make new friends, explore their creativity, and stay active – all within the safe environment of the school grounds.

Admissions

Parents interested in registering for a place are invited to complete a registration form. Once received, the Registrar will be in touch to arrange a convenient date for a tour.

Places are offered in order of application but are not guaranteed until after a visit has been made to the school and a Registration Fee and an Acceptance Deposit have been received by us.

Prospective parents will be required to pay a £1,500 deposit to guarantee a place within 7 days of an offer. This deposit will only be refundable if a child has attended at least two full years at Broadhurst School.

One year before the proposed date of entry, parents will be asked to pay a non-returnable advance of £500 towards the first term's fees, with the balance due eight months before the proposed date of entry.

PARENT CONTACT

Working in partnership with families

In educating children of this age, close communication between school and home is very important. The school has an open door policy and holds regular Parents' Evenings as well as weekly opportunities for parent-teacher meetings. Parents are encouraged to discuss any matters that might affect their child's welfare and development with the Class Teachers or Headteacher.

Fees, school hours & contact

Provision	Fee shown in supplied prospectus	School hours
Nursery (First Year)	£8,035 per term	8:30am – 3pm
Pre-Reception (Second Year)	£7,645 per term	8:30am – 3:30pm
Wraparound Care	£25 per day	3pm – 5:30pm

Note: the supplied prospectus labels these fees as 2025–2026, so they should be checked and updated before the 2026–2027 edition is published. School hours are described as a guide only and subject to change.
